From the preacher's desk....

One of the most moving scenes to me (among many) that is recorded in the New Testament is the interaction between Jesus and Thomas in the upper room following Jesus' resurrection. It's moving because

Thomas views Jesus as his "Lord and God" for apparently the first time! I'm sure that Thomas had been impressed with Jesus already and obviously wanted to be associated with Him, but now, "MY LORD AND MY GOD!"

Jesus asks His disciples a very striking question that's recorded in Matthew chapter 16, verses 13 through 15. He first asks them, "Who do people say the Son of Man is?" But then He asks a far more personal question that looks deeper into the heart of each of the disciples, "Who do YOU say I am?" Jesus moves the disciples from a theological question to a deeply personal relationship and commitment question.

Have you ever thought about how many ways that people think of Jesus? I mean, Jesus is a rather popular figure and what people think about Him or of Him varies greatly. Some view Jesus as a fraud. Some view Him as a good guy. Some think of Him as an amazing teacher or an eloquent and charismatic speaker. Well, you get the point...

But far more importantly than how others view Jesus, what do YOU think of Jesus? I'm pretty confident that most everyone who reads this article views Jesus as God and I'm equally confident that most of us love Him and want to be identified as one of His followers. But do we acknowledge and submit to Jesus as our LORD? Now, before we answer that too quickly, we need to understand that submitting to Jesus as our LORD carries a high price...and that price is DENYING MYSELF, TAKING UP MY CROSS, AND FOLLOWING JESUS! You see, Jesus being my LORD means that I'm not in charge, He is!
